Fee simple ownership is the most complete form of ownership, providing the owner with full rights to possess, use, and transfer the property indefinitely. - In some cases, a written agreement (per the Statute of Frauds)

Question 3: How does the process of foreclosure work?

Answer:

Foreclosure is a legal process initiated by a lender when a borrower defaults on mortgage payments. The process typically involves:

- Notice of default issued to the borrower
- Public auction of the property (trustee sale) to recover the unpaid debt
- If the property sells for more than the owed amount, excess funds may be returned to the borrower
- The process varies by state and may include judicial or non-judicial procedures
